

**Calling all book worms.....
4th and 5th Grade Book Club**

If you are interested in joining Mrs. Murray for a monthly club look no further. We will meet once a month to discuss the choice book of the month during lunchtime.

You must read the entire book to participate in the club. You do not need to purchase the books just borrow them from the library☺. The goals of book club are to encourage students to articulate and respect thoughts and opinions, promote a love for reading and have fun. See below for a list of monthly books.

October- The Best Halloween Ever by: Barbara Robinson
